# FLUSHING SYSTEM

At Venicia Bathware, we blend functionality with aesthetics to enhance everyday living. Our designs are crafted to provide a seamless experience, ensuring ease of use while adding a touch of modern elegance. The Venicia Rimless Toilet is engineered without a flush rim, eliminating hidden areas where bacteria and odors can accumulate. This innovative design makes cleaning effortless, ensuring superior hygiene. Featuring our patented flush technology, the Venicia Rimless Toilet guarantees a powerful and efficient flush with minimal water usage. With no flush rim, there's no place for germs or dirt to hide, making it the perfect choice for a cleaner and more hygienic bathroom. The sleek, minimalist lines and high-quality ceramic surface ensure lasting shine and effortless maintenance.
